"Some of the brightest minds in the country can be found on the last branches of the Classroom"

-Dr.APJ.Abdul Kalam.

From Principal's Desk (Brief Overview of all Events)

Dear readers the college is happy to share the curricular, co-curricular and extra-curricular activities conducted during the month of September 2022. Our staff has attended the training programmes conducted by CCE. The personnel of the college met on a regular basis to discuss academic and non-academic issues that were crucial to the development of the College. And actively participated in the admission campaign to increase the strength of the college by explaining them the potentialities of the college. The students presented the work on CSP using PPT. All the important days of the month were celebrated by the respective departments and the college in which staff and students were a part.

Thank You

Dr.P.NARAYANA REDDY,M.Sc.,M.Phil.,Ph.D

“The light of the world, the beacon in the dark and the hope that gives us strength to survive is our teacher”

ATTENDED ZONAL MEETING AT SPMU TPT

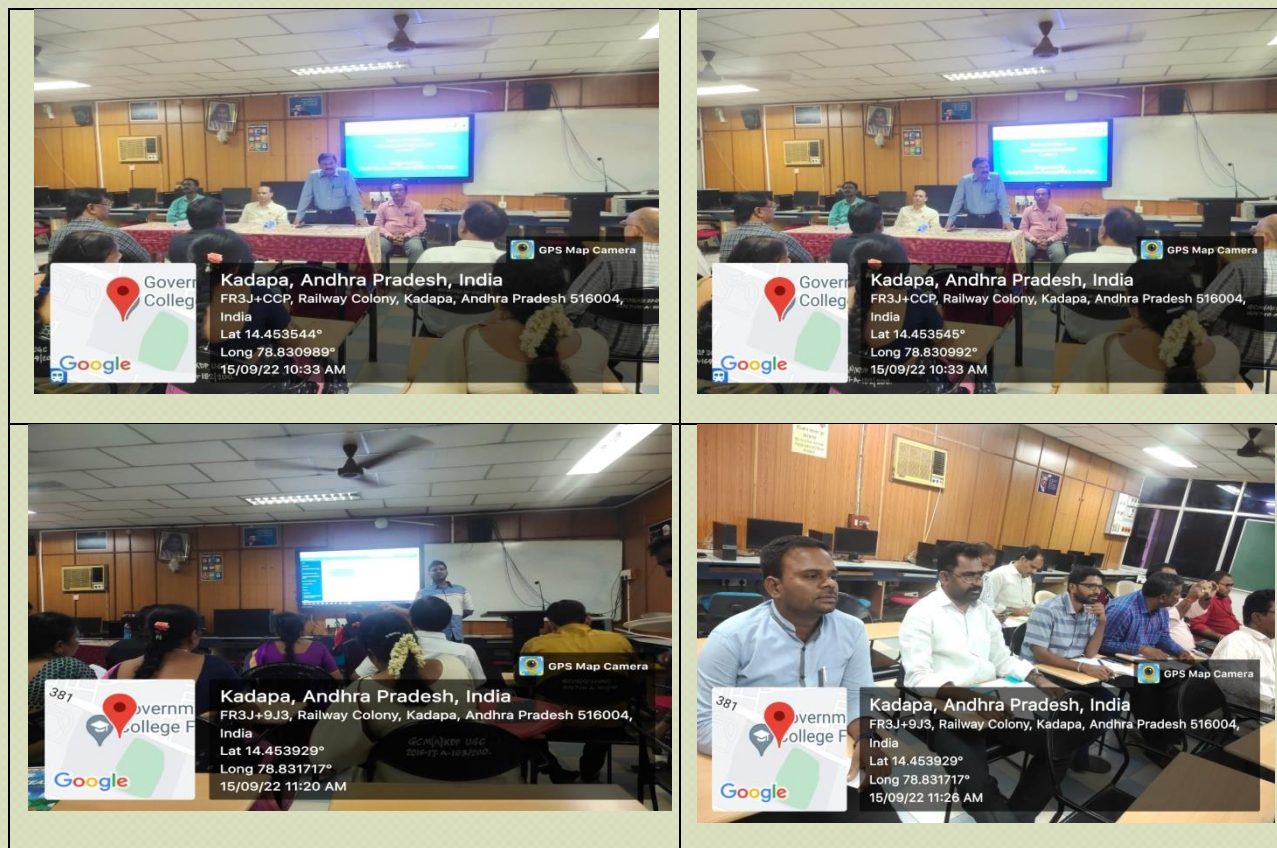

In Obedience with orders of our honorable CCE , Our honourable Principal Dr.P.Narayana Reddy and We both the coordinator of CSP Coordinator K.Subhan Saheb and IQAC Coordinator P.Chennarayudu, attended CAPACITY BUILDING INTERNSHIP AND INDUSTRY CONNECT PROGRAMME at Sri Padmavathi Mahila University , Tirupati on 08-09-2022. At their our honourable commissioner has discussed and displayed about admissions of 2022-23,Inrenship details, IQAC Progress , College Website, LMS and FRS.

The Department of chemistry conducted Ozone day on 16th September. All Students spoke on indeed the urgent need to protect the ozone layer and search for possible solutions to preserve it. Sri E.K.Seetharami Reddy, Lecturer in Chemistry said that stratospheric Ozone is important as protection from harmful ultraviolet solar radiations. When the Ozone layer is destroyed through chemical reactions involving chlorine atoms and ozone molecules. Our beloved principal Dr.P.Narayana Reddy also warned us against depletion of Ozone Layer, leading to global warming, resulting change in wind pattern, skin cancer, skin burn, weakness of the immune system and damages of the tissues of eyes. He suggested preventive measures like ban of plastic, CFCs, cosmetics, aerosol and he pleaded everyone to promote tree planting and back yard gardening.

FRS NRC MEETING

23-09-2022 ATTENDED ZONAL MEETING AT CCE

In pursuance of the orders of our honorable CCE, Principal Dr.P.Narayana Reddy and FRS coordinator Dr.K.Venkatarami Reddy have attend the Zonal review meeting at Commissioner Office, Mangalagiri. There they discussed about the progress of admissions of the academic year 2022-23, students of Facial recognize system and the situations of Internship. Besides that some more related things have been discussed at there.

GUEST LECTURE

Guest Lecture by. Sri.M.Radharam, Lecturer in English,on Communication Skills at Govt.College for Men (A) Kadapa

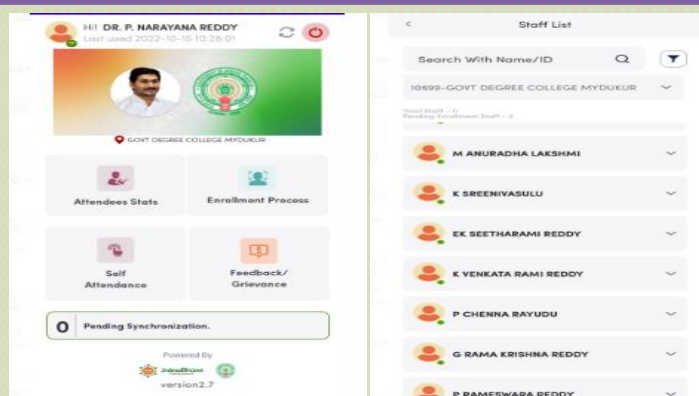

INTERNSHIPS - INDUSTRY CONNECTIVITY

Internship inculcates the professional development of the job. It helps the students to develop more realistic carer expectations, practical and reflective experience. The new education policy directed all students should undergo for two months internship in different institutions. As part of this the college placed our Second year students in different institutions for work place learning. This opportunity allows the students to test their interest in a career before dreaming their career. This internship programme transforms students to be an effective learner and later into productive worker Nearly 05 students inducted in different institutions to go through orientation phase as well as induction phase.

FACULTY ENROLLMENT IN JNANABHUMI FACIAL ATTENDANCE APP COMPLETED

As per the instructions of the CCE, The faculty of the college enrolled in the jnanabhumi facial attendance app and taking regular attendance through app from 17-09- 2022.
